THE BRILANT SERIES

The Brilant is series of exclusive bathroom furniture created by Norwegian designers with a view of the family, living up to all expectations and requirements. The main objective for designers was technical and technological solutions, which contributed to name of series Brilant and the highest quality of furniture on the EU market.

Brilant's furniture are produced by the Polish factory of bathroom's furniture ORISTO. The ORISTO Producer living up to all expectations and requirements and posses certificates of Norwegian.

The furniture of Brilant series are covered by a 10 years manufacturers' guarantee on the Norwegian market.

The furniture are made of from waterproof chipboard and the fronts made of from waterproof MDF. Fronts of cupboards and drawers are present in 2 colors: anthracite gray (graphite) with high gloss, or white with high gloss. The chipboard and MDF which are waterproof and moisture-resistant provides us about strength of Brilant series on extreme conditions of use.

The Brilant line collection is available as hanging of version what gives us the bathroom modern look, while provides us with comfort, functionality, lot of space in the bathroom and purity what are priority. Two types of widths hanging cupboards: 40cm and 85cm, it help us management owned of space and in combined we get the maximum length until 125cm usable. Marmite's washbasins are made of dolomitic conglomerate- cast marble is characterized by the perfect gloss exeeding in this respect the real marble and other materials. Furthermore they posses incredible mechanic resistance which is confirmed by certificates agreeable with world ranges. It is easy to keep washbasins clean and their conservation is cheap. Washbasins are perfectly fitted to shapes of Wall Hung Vanity Unit of Brilant series.

Marmite's washbasins 125cm made of cast marble appear in right or left version what give us an usable area of washbasin with top table on right or left side. With a Wall Hung Vanity Unit 85cm we can use central washbasin with practical, wide usable area.

The washbasins are without handles what cause an effect of flawless purity design. Cabinets posses the special notches, which we use to open doors and drawers. Under the washbasin was applied a system of silent shifting and closing. This system make drawer slowing down in the last phase of closing and in result a drawer is closing very smoothly. Drawers are equipped with practical partitions with a view of ladies' comfort.

Double-side mirror of Brilant series was build in a three-piece, Bathroom Mirror Cabinets B 85 x D 17,5 x H 72 cm with slight depth, with a view of exploitation of usable area. A lot of shelves behind double-side mirror can be used for cosmetics and other useful things. The shelves are made of glass with possibility of hanging regulation to an appropriate higher.

In the Bathroom Mirror Cabinet were used three-points overhead and two-points lower light LED what give us a natural light illuminating a mirror, and in lower part it illuminates the washbasin equipped with swith of light LED and socket 230V what is very useful in our bathroom.

For extension of Bathroom Mirror Cabinets were designed Bathroom Wall Cabinet B 40 x D 18 x H 72 R or L with doors and shelves which we can hang on the left or right side of the bathroom mirror cabinet over washbasin B 125 x D 50 x H 4 cm.

The complete of Brilant series contains Wall Hung Vanity Unit 35 x D 35 x H 142 cm with shelves and opening door R or L with two drawers lower.

All component of Brilant series ensure that our bathroom will be comfortable and functional for many years, and periodic maintenance of area ensure us gloss of furniture as Brilant.

Fronts of Wall Hung Vanity Units, Bathroom Wall Cabinets and Tall Bathroom Cabinets are in white color with high gloss and anthracite gray (graphite) color with high gloss.

Resources, materials, electrical lighting LED, and elements of sliding-mechanical used to produce to the Brilant series come from EU, posses certificates of Norwegian and gives customers, security and the highest quality product. The Brilant series is covered 3-years qarantee from producer and service on area of Poland.
